

that flowing water is the very essence for preparation of coir ?

**Sri MALI MARIAPPA.**—My friend may have the patience to study the industry as a whole.

**Sri J. B. MALLARADHYA.**—I do not know whether I need enlightenment because I have dealt with this matter. This wet process is possible only where flowing water is available and there is no point in Government holding out hopes that they will start this industry either in Tumkur or Bangalore. Previous records show that this has been a thorough failure except in places where there is flowing water. I want to know whether they have this report with them ?

**Sri MALI MARIAPPA.**—I was trying to explain that, but in the meanwhile the Hon'ble Member interrupted me. This fibre industry is very well developed in Ceylon out of dried husks. If my friend only studies the Ceylon coir industry he will find that there is vast scope in Mysore. I repudiate the inference of my friend that Government is holding out false hopes.

**Sri B. RACHIAH.**—May I know the number of training centres started by Government in this industry ?

**Sri MALI MARIAPPA.**—One in Mysore District and another in North Kanara.

**Sri B. D. JATTI.**—Rs. 8.

**Sri C. K. RAJAIAH SETTY.**—May I know whether this amount cannot be used for charities ? Is it the union which is the deciding authority for giving this amount as a charity ?

**Sri B. D. JATTI.**—It is not the Union but the workers.

**Sri J. VENKATAPPA.**—Will this amount collected from the visitors be utilised for providing facilities to the visitors ?

**Sri B. D. JATTI.**—It is not a question of providing facilities to the visitors because Government have to spend on guides and for that the amount is used.

**Sri C. M. ARUMUGHAM.**—I want to know whether you are spending any amount for school children ?

**Sri B. D. JATTI.**—That is a question to be settled by workers themselves.

**Sri C. M. ARUMUGHAM.**—It was said that this amount is being spent for others also. I want to know whether the amount collected from the visitors has been mainly used for Anglo-Indian schools?

**Sri B. D. JATTI.**—I repudiate it. It is not correct.

**Mr. SPEAKER.**—If he has no information ready at hand, nothing can be done. You may put a specific question separately.

**Sri J. VENKATAPPA.**—If this Hall is not available to the public what action has been taken to make other halls available to them?

**Sri B. D. JATTI.**—This Hall is not going to be kept open to the public. There are other halls in that area which can be used by the public.
